To Whom it May Concern:

Don Milnor was a student employee with the Division of Traffic & Parking from January 88 through January 91.

His title was Student Service Assistant 2. The job required him to work independently, dealing directly with the public and handling large sums of money with minimal supervision.

He repeatedly showed sound judgement in decision making, and dealing with others. Responsibility to the job and co-workers was a primary issue to him.

Mr. Milnor shows great promise. I'm sure he will be successful in any career field he chooses. He has impressed me in his concern and commitment to the job.

Sincerely,

Richard Jones
Parking Facility Superintendent
