

OLD FASHIONED GLOW

There's an old Fashioned glow in their warm and friendly smile
It's a Blessing to me I can call them fam-i-ly

as the names of those Christ-ians I know
My Dear Brothers and my Sisters I Love

and they sing of the Blessings God has given each of them
From God's Book we too know each and every one of them

for their Lives reflect the Love of the Lord
these dear Christ-ians in the family of God.
